

**Session at 9thASAE International Conference, 11- 14<sup>th</sup> January in Bangkok, Thailand**

**New Title:** Research on Rural Development and Agricultural Transformation in South East Asia using panel data

**Old Title:** Rural Development and Agricultural Transformation in South East Asia with emphasis on Thailand and Vietnam

Convener: Hermann Waibel, Leibniz University Hannover

**Introduction**

- Agricultural Transformation taking place in Thailand and Vietnam but the drivers and consequences are poorly understood.
- Dynamic analysis using panel data is needed
- The Thailand Vietnam Socioeconomic Panel (TVSEP) project offers the possibilities for such research as demonstrated by high quality publications in highly recognized journals in development economics
- The session will cover topics that include methodological and empirical issues of panel data analysis as well as empirical applications from the field of agricultural policies, finance, nutrition and rural urban labor market connections.

**Paper 1:**

**Authors:** Ulrike Grote, Stephan Klasen, Rattiya S. Lippe, Suwanna Praneetvatakul, Andreas Wagener and Hermann Waibel

**Topic:** “ The use of long term panel data for research on rural development in Asia”

**Paper 2:**

**Authors:** Hoa Thi Pahlisch and Priyanka Parvathi

**Topic:** Nutritional Transitions in rural provinces of Thailand, Laos and Vietnam

**Paper 3**

**Authors:** Ulrike Grote and Hermann Waibel

Rural-Urban Migration, Welfare and Employment: a comparison between Vietnam and Thailand

**Paper 4**

**Author:** Bezawit Beyene Chichaibelu

**Topic:** Borrowing from “Pui” to pay “Pom”: Multiple Borrowing and Over-Indebtedness in Rural Thailand

**Paper 5:**

**Authors:** Dorothee Buehler and Wendy Cunningham

**Topic:** Understanding vulnerability to poverty – How do shocks and assets influence economic mobility of rural households?
