## Migrant Survey Vietnam / Thailand

**2018**

Version 7.1

### Introductory statement

In 2016 and 2017 we visited your household in the village for interviews. This year we would like to interview you about your situation in the city. We want to thank you for your kind cooperation.

We assure you that all information you give during the interview is kept strictly confidential. Data will be used for scientific purposes only and will not be given to any outside person, or any person from your family. As a sign of our great appreciation, you will receive a gift from us at the end of the interview.
