Questionnaire number	

Vulnerability in Southeast Asia Household Survey Vietnam / Thailand 2007

Village head questionnaire form

Introductory statement

We are German university researchers working together with researchers from Thailand and Vietnam to study the situation of people in the rural areas. We are especially interested in the role of risk in the livelihood of rural people. To achieve the objective of our research we kindly ask for your cooperation.

We assure you that all information you give during the interview is kept strictly confidential. Data will be used for scientific purposes only and will not be given to any outside person. As a sign of our great appreciation that you take your time for our interview please accept this small gift from us.

Section 1: Survey Information 8 Date of Interview (dd/mm/yy) 1 Province I.D.: 00-99 9 Time started (hh:mm) 2 District I.D.: 00-99 3 Sub-district I.D.: 00-99 10 Time finished interview (hh:mm) 4 Village I.D.: 00-99 7 Address/description of respondent: Code 13 Name of Respondent (village head) 15 Name of Interviewer: 16 17 Name of supervisor: 18 19 Data entered 20 Date Name **VHSF 1.4** 22 Date 21 Data revised Name 12/04/2007

Village Infrastucture and institutions

1 2 3 4 5 6	Geographical position of village (multiple answers possible)	1 1 1 1 1 1	mountain slope valley plain river lake
