## Household Survey Vietnam / Thailand

2008

Version 2.1

### Introductory statement

Last Year we have visited your household for interview about livelihood, risks and shocks. This year we have come again for another interview to ask for your situation now. Mostly it will be the same questions like last year and we want to thank you for your kind cooperation.

We assure you that all information you give during the interview is kept strictly confidential. Data will be used for scientific purposes only and will not be given to any outside person. As a sign of our great appreciation that you take your time for our interview please accept this small gift from us.

Section 1	Page 3	Survey information	Section 4.1	Page 27	Land
Section 2.1	5	Household Members	Section 4.2	29	Agriculture (crops including permanent crops, forest plantations)

## 4.1: Land

Next, we want to learn about your household's landholding including land rented out or in and the property status of your homestead.

Note: Home gardening should be included in Section 4.2

### 1 Do you possess land or use land for agriculture or gardening?

1 yes

2 no, ask only for the homestead and go to Section 4.3

Please report the household's land and the area used for agriculture of 1 May 2007 separately for each parcel. Please start with the homestead.

## Section 5: Off Farm employment

In this section and in the following section we would like to talk about all off-farm employment that your household members have maintained between 5/07 and 4/08 . By off-farm employment we refer to all activities not related to agricultural production on your own farm.

First, we ask you about the wage-employed activities, for example: agricultural worker on other farms, factory worker, construction worker, service worker ... ).

1 Has anyone of your household members worked as a wage-employee between 5/07 and 4/08

1 yes  
2 no, go to next section

2 How many members of your household have worked as a wage-employee between 5/07 and 4/08?

person (s)

Interviewer: Use separate rows for each off-farm occupation for each household member.

## Section 6: Non-farm self-employment including cottage industries

In this Section we would like to talk about all non-farm self-employed activities your household members have maintained between 5/07 and 4/08.

By non-farm self-employment we mean that you are an own-account worker without employees (e.g.: handicraftman, petty-trader, mat-making, ... ) or that you are running an own business with family workers or other employees (e.g.: restaurant owner, shop owner, hair salon, taxi/bus owner, rice miller, coffee roasting, ... ).

1 Has any of this household's members been engaged in non-farm self-employment between 5/07 and 4/08?

1 yes

2 no, go to next section

2 How many household members were engaged in non-farm self-employment between 5/07 and 4/08?

person (s)

Note: Each household-member could have multiple non-farm self-employment activities. Use a separate row for each activity.
