## Section 1: Survey Information

30 Rural household I.D.:

12 Name of the migrant

1 a Member I.D.    
*insert member I.D. from HH survey*

6 Address:  
*(current adress in the city)*

25 Telephone No.

1 Province I.D.:  000-999

2 District I.D.:  00-99

3 Sub-district I.D.:  00-99

14 Name of Interviewer:

16 Name of supervisor:

7 Date of Interview (dd/mm/yy)

8 Time started (hh:mm)

9 Time finished interview (hh:mm)

27 Location of interview  **A**

10 Name of rural HH head

*confirm reported name with name on rural HH listing*

*Don't read out:*

10a **Does reported name of rural HH head match with rural HH listing?**

**B**

*If reported head of rural HH does not match, call the rural HH and confirm the identity if urban respondent.*

*If urban respondent does not belong to rural HH, stop interview and contact supervisor for replacement.*

## Section 5.2: Remittances received

We are now interested in the financial support you received from your rural household and other family and friends

Refer to all wage-employment, self-employment and unemployment periods of section 3

For each occupation mentioned in section 3 record each sending person in a separated row.

12 Compared to 3 years ago, how did the annual amount of remittances change?

 F

1	2	3	4	5	6	7	8	9	10	11
Remittance I.D.	For each job/ unemployment fill in Occupation ID from section 3 per sender	Who supported you?  <i>Incl. periods of unemployment If none, enter zero and ask for next occupation</i>	How often did you receive remittances from this person in this period?  <i>Incl. periods of unemployment</i>	Did you receive a similar amount each time?	How much did you receive each time?  <i>If not known, ask for total in Q7</i>	Approximately, what was the total annual value of remittances received from this person?	Were you depending on the remittances from this person during this period?	Did you ask the person for sending remittances during this period?	What did you use the remittances for?	How are the remittances sent?

## 6.2b. Subjective assessment of wellbeing

1 Do you think you are better off than last year?

 A

2 Do you think you are better off than 5 years ago?

 A

3 How much does your income fluctuate?

 B

*if code=4, go to Q5*

4 How much do income fluctuations affect your wellbeing?

 B

5 What was the best year for you in the last 5 years?

 YYYY

6 What was the worst year for you in the last 5 years?

 YYYY

7 Do you think you will be better off next year?

 A

8 Do you think you will be better off in 5 years?

 A

9 Since the end of 2008 there is an economic and financial crisis. How has your economic situation changed since then?

 C

*Includes job security and changes in income and prices*

10 Are you generally a person who is fully prepared to take risks or do you try to avoid taking risk?

 E

*Show scale on previous page*

11 Imagine you had just won 50,000 Baht (put equivalent amount in Dong) in a lottery and you can invest this money in a business. It is equally likely that the business goes well or not. If it goes well you can double the amount invested after one year. If it does not go well you will lose half the amount you invested.

How much of the 50,000 Baht (equivalent amount in Dong) would you invest in the business?

 THB/ 1000 VND
